Dear Rutherford County TN Steering Committee Members:

I would appreciate your consideration for reappointment to another term the Rutherford County TN Beer Licensing Board. My appointed opportunities to serve the citizens of Rutherford County currently include being Vice Chairman of both the Beer Board, and the Board of Zoning Appeals. Seldom do I miss a meeting. Unfortunately, I will be out of town on a long planned vacation during the Steering Committee Meeting on October 3rd. I am hopeful my absence during this meeting will not deter your recommendation for reappointment. Thank you again for the work you do and for my opportunities to serve.

Sincerely,

Jerry D. Sartain
